ICELAND

The Land of Fire and Ice is one of the most fascinating places on planet Earth!

The awe-inspiring landscapes, the pristine forces of nature, the infinite and always surprising combinations of earth, water, fire and air are everywhere.

ICELAND

The West

Fifty-five miles (90 km) long, the spectacular Snæfellsnes Peninsula is often called "Iceland in Miniature" because it boasts many different landscapes from dramatic fjords, snowcapped mountains and sandy beaches to fishing villages, historical sites and waterfalls. Even by Icelandic standards, the region's wilderness areas are incredibly pristine. The deep, narrow fjords are also an excellent place to fish for cod, halibut, wolffish, haddock, saithe and redfish.

The South

Some of the best known Icelandic sights are in this area including the Strokkur geyser, the geologically and historically interesting Thingvellir area, and the imposing Gullfoss waterfall. Also located here is the famous Eyjafjalla Glacier, which covers the caldera of an ancient volcano. The Westmans are a group of 14 volcanic islands, only one of which only "Heimaey" is inhabited. Several spectacular waterfalls and dramatic sea cliffs are also found along the south shore.

Vatnajökull

The North

Nowhere else in the world do so many whales gather in one area as the waters off northern Iceland. Observing whales in the wild is always a thrilling adventure. Iceland's second largest city, Akureyri boasts colorful architecture and an impressive botanical garden.

The East

The eastern coast of Iceland is dominated by narrow fjords, rugged mountains, remote homesteads and historic fishing villages. Here you find a variety of hiking trails that lead through untouched nature and spectacular scenery. Among the region's highlights are the town of Djupivogur on the Berufjörður fjord and Jökulsárlón Glacier Lagoon, full of icebergs from Breiðamerkjökull glacier.

Discover the Island of Contrasts

Experience an unforgettable journey around Iceland onboard the OCEAN DIAMOND. Discover this mystical land steeped in Viking traditions and volcanic landscapes rarely seen anywhere else on earth. This voyage reveals a diverse array of natural wonders and the Icelandic way of life. A range of exciting shore excursions offers countless ways to interact with Iceland's culture, nature, history and people.

DAY 1 | REYKJAVIK

Use your leisure time in Reykjavik to discover the unique charm of the world's northernmost capital. The OCEAN DIAMOND docks in Old Reykjavik Harbor in the heart of the city, a five-minute stroll from the main squares, shopping and dining. The ship departs in the evening.

DAY 2 | STYKKISHOLMUR

Stykkisholmur is the starting point of our adventures on the Snaefellnes Peninsula. Often called "Iceland in Miniature" because of its diverse landscapes, the area is home to bird-rich Breidafjörður Bay and Snaefellsjökull glacier. This glacier sits atop of a 700,000-year-old dormant volcano that was featured in the Jules Verne novel *Journey to the Center of the Earth*.

DAY 3 | ISAFJÖRDUR

Today's destination is Isafjörður, an idyllic town in the Westfjords region. This secluded peninsula is connected to the Icelandic mainland by only a narrow strip of land and includes many roadless areas where cars have never been. The landscape includes jaw-dropping views of dramatic fjords carved by ancient glaciers, sheer table mountains that plunge into the sea and pristine North Atlantic vegetation.

DAY 4 | SIGLUFJÖRDUR/HRÍSEY

By morning we reach the fjord town of Siglufjörður, once the hub of the global herring industry and now enjoying a rebirth in popularity. Learn about the golden age of herring at the award-winning Herring Era Museum located on the vibrant harbor-front. In the early afternoon we head to Hrísey, the second largest island of Iceland. With only 153 inhabitants,

the island is located in Eyjafjörður, about 35 kilometers north of Akureyri.

DAY 5 | AKUREYRI

Ranging inland from Akureyri, we visit the fascinating Lake Myvatn region, where the schizophrenic landscape looks as if "heaven and hell" have clashed. One side of the lake features rugged volcanic remnants, while the other side is blessed with lush vegetation and varied bird life.

DAY 6 | HUSAVÍK

In the early morning hours we steam into Skjalfandi Bay and Husavík. Often called the "Whale watching capital" of Iceland, the town's offshore waters are home to 15 different whale species, as well as dolphins and 30 variety of bird.

GREENLAND

Photo: Michael Langeron

Immerse yourself completely in this unique world!

The world's largest island is strikingly beautiful, a land of massive ice formations, deep-blue fjords and lush pastures. Greenland is also blessed with unique flora and fauna, the midnight sun and northern lights, and the distinctive Inuit culture.

GREENLAND

Uummannaq

Located 300 miles (500 km) north of the Arctic Circle, Uummannaq is one of the most beautiful towns in Greenland. The town takes its unusual name – Uummannaq means “heart shaped” in Greenlandic – from a massive mountain (3,839 feet/1,175 meters) that towers above the island. An interesting local museum features an exhibition of German climatologist and geophysicist Alfred Wegener’s 18th-century polar exploration.

Nuuk

Greenland’s capital has around 16,000 inhabitants and combines Inuit traditions with modern European urbanity. It’s also Greenland’s oldest town, founded in 1728 by the Danish Norwegian missionary Hans Egede. The National Museum features 500-year-old mummies from Qilakitsoq, as well as other artifacts related to Greenland archaeology, history and art. The Katuaq Cultural Center in downtown Nuuk is the venue for concerts, exhibitions, cinema and local cuisine. The University of Greenland, the country’s only university, is also located in Nuuk.

Sisimiut

Sisimiut has a turbulent history about the domination of the city. Heavy fighting between Dutch whalers and various European nations took place over the years. Because of the flourishing shrimp industry Sisimiut is one of the richest cities in the country.

Narsarsuaq

Located near Greenland’s southern tip, Narsarsuaq lies in the heart of the region pioneered by the ancient Norse. Nearby Qassiarsuk was founded by notorious Viking Erik the Red after his banishment from Iceland. He named the area “Green Land” because of its lush, fertile valleys. During our shore stop, you can learn about the lives of the island’s early Norse settlers while visiting a Viking longhouse and small peat church.

PRINCE CHRISTIAN SOUND

Disko Bay/Eqip Glacier

Disko Bay combines incredible iceberg scenery and Inuit hospitality. Along the eastern edge of the bay is Ilulissat, the third largest town in Greenland. The name means “iceberg” in Greenlandic, a reference to its location at the mouth of the iceberg-filled Ilulissat Ice Fjord, a UNESCO World Heritage Site since 2004. Few places in Greenland are as breathtaking as Eqip Glacier, 50 miles (80 km) north of Ilulissat. With a little luck, your visit will include a close-up view of icebergs “calving” as huge chunk of ice break off and thunder into the sea.

DENMARK STRAIT

66°33' N POLAR CIRCLE

Prince Christian Sound

The force of Greenland's massive inland icecap pushes glaciers towards the sea, where large chunks of ice break off and become floating icebergs. When we cruise the 70-mile (100-km) Prince Christian Sound — which separates the Cape Farewell islands from the mainland — we get so close to icebergs that you can almost reach out and touch them.

ICELAND AND NATURAL WONDERS OF GREENLAND

Zodiac transfer in Uummannaq

DAY 3 | DAY AT SEA / DENMARK STRAIT

Today we sail across the Denmark Strait towards Greenland, following the same maritime route used by Norse settlers more than 900 years ago.

DAY 4 | DAY AT SEA / PRINCE CHRISTIAN SOUND

When conditions are favorable, we cruise along the 70-mile (112-km) Prince Christian Sound. In this narrow, often ice-choked channel, we come so close to icebergs you can almost reach out and touch them.

DAY 5 | NARSARSUAQ

Very close to the town of Narsarsuaq lies the small settlement of Qassiarsuk, founded by the legendary Viking rebel and leader Erik the Red. He named this area "green land" because the landscape around Qassiarsuk is characterized by inviting fjords and green, fertile valleys.

DAY 6 | IKKA FJORD

The underwater world is like no other, it contains a forest of remarkable mineral columns growing on the seabed. The columns formed over 10,000 years ago of the extremely rare mineral Ikait.

DAY 7 | NUUK

With 16,000 inhabitants Nuuk is both the capital and the biggest city of Greenland. It combines Arctic traditions with European urbanity. Visit the city sights on a walking tour that ends at the National Museum which exhibits the famous mummies of Qilakitsoq.

DAY 8 | SISIMIUT

With approx. 5,600 inhabitants, Sisimiut is the second largest town in Greenland. It is a modern settlement that maintains ancient traditions. The fishing industry still plays an important role.

DAY 9 | ILULISSAT / EQIP GLACIER

In the morning we reach Ilulissat village in fabled Disko Bay. Ilulissat is located beside the Ilulissat Icefjord. Delight in the thunderous spectacle when icebergs break off from the glacier and plunge into the fjord.

DAY 10 | UUMMANNAQ

Uummannaq is considered one of the most beautiful towns in Greenland. Located on a small island about 300 miles (483 km) north of the Arctic Circle, this tiny, picturesque village lies at the foot of a heart-shaped mountain.

PRACTICAL INFORMATION

BBQ Party at the Pool Deck

ALCOHOL

Bringing alcohol aboard is generally not allowed. The only exception is a small "corkage fee" charged to passengers who want to enjoy a special bottle of wine with a meal. A large variety of alcoholic and non-alcoholic drinks are served on board in the restaurant and bar.

CABIN FEATURES

All cabins are equipped with shower/toilet, television, closet, refrigerator, hairdryer and access to satellite phone. Cabins are cleaned daily and there is turn-down service.

CHANGES TO CRUISE ITINERARY & SHORE EXCURSIONS

Due to local weather, sea and ice conditions, all of our cruise itineraries and shore excursions are subject to change. The implementation of our shore excursions also depends on reaching the minimum/maximum number of participants for each activity. Iceland ProCruises reserves the right to change the itinerary and trip content without prior notice.

CHILDREN

Children must be 8 years or older (10 years or older on trips that combine Greenland and Iceland). Discounts of 25% on cruises and shore excursions are offered to children up to age 12 staying in their parents' cabin. Please note that we do not offer child-care services or children's play areas on board. Riding our Zodiacs requires a certain level of body control. Due to safety reasons, the captain reserves the right to refuse a landing with children.

CRUISE CARD

At embarkation you will receive a personal Cruise Card which you should always have with you. This card is used on board as a combination payment instrument and identity card. Shore excursions, alcoholic beverages, spa services etc. will be paid with your cruise card. At the end of the voyage you can settle your account by credit card (we accept Visa, MasterCard and American Express) or you can pay with cash (USD).

DRESS CODE

The dress code on board is casual. Leave your ties, jackets and evening dresses at home. For days at sea and ashore we recommend comfortable, breathable, waterproof and windproof clothing, plus gloves, thermal underwear and sturdy footwear. For the captain's and Farewell cocktail parties we recommend smart casual dress style.

GRATUITIES

Tipping is a way of showing your appreciation for a service received on board from the hotel staff or Expedition Team. The amount of the gratuity is totally at your discretion. During the voyage we hand out a flyer about the handling of tips. For your convenience, we can charge the suggested gratuity to your onboard account. If you would like to cancel or make adjustments to the gratuity posted on your account, you can do so by visiting the reception desk. Gratuities are divided amongst the hotel crew and Expedition Team.

HEALTH & MEDICAL EMERGENCY

Although we do not have an official requirement regarding personal fitness, you should be able to move on board and ashore without the help of others. At all times there is an English-speaking doctor on board. The ship is equipped with a small clinic and medications to treat certain emergencies.

INSURANCE

Repatriation costs in case of illness can be extremely high. Therefore, we strongly recommend purchasing travel/health insurance prior to your voyage, specifically policies that cover repatriation costs to your home country. This insurance is mandatory for our trips to Greenland. Information on all-inclusive insurance packages – including travel cancellation, curtailment, baggage and medical – can be found on the websites of various providers.

INTERNET & PHONE

Iceland ProCruises offers free WiFi in the public areas of Club Lounge, Observation Lounge and Library during Iceland Cruises. There is no free Wifi in those areas during Greenland Cruises. For an extra charge we offer internet access in your cabin. Mobile-phone reception should be possible in most regions along our route. For further details please contact your mobile phone operator. A telephone deposit for external phone calls as well as an internet deposit for your laptop or tablet can be purchased at the reception. Please ensure that your 'Data Roaming' feature is switched off.

LANGUAGE ONBOARD

English is the official language on board. Therefore all members of our Expedition Team and the reception staff speak English (as well as German). Onboard announcements are made in English and German. The daily program as well as the dining room menu are also bilingual (English and German). If you require translation, our multi-lingual Expedition Team is always at your disposal.

LAUNDRY

Professional laundry service is available for an additional charge.

PASSPORTS & VISAS

Each passenger is responsible for ensuring that he/she meets the applicable passport and visa requirements for the duration of the trip. The passport is the only valid proof of identity for all trips with the OCEAN DIAMOND. An ID card is not sufficient. The passport must be valid for at least 6 months after your trip ends. Please note that each participant is responsible for obtaining all necessary documents. Costs incurred due to insufficient travel documents must be paid by the passenger.

PHYSICAL DISABILITIES & ACCESSIBILITY

Guests with physical disabilities are recommended to travel with an accompanying person. The particular processes on board should be handled without external help. The gangway can be – depending on the individual disability – a challenge. The angle of inclination of the gangway varies due to tide and different circumstances in the respective port. Please note that the guest's participation in shore excursions as well as the (dis-)embarkation by zodiac can be denied by the master or Cruise Leader due to security reasons. The instructions of the master must be followed. The ship is not suitable for wheelchairs. A medical certificate must be submitted on request by Iceland ProCruises.

RESTAURANT/DINING

Breakfast, lunch and dinner are included in your cruise price. Breakfast and lunch are buffet style; dinner is a la carte. Coffee, tea and water are free during the entire voyage; other drinks can be purchased in the restaurant or bar. If you're not on board at lunch time, we prepare a lunch box for you to take ashore. In the afternoon we offer tea and coffee in the lounge on Deck 4, which is also the venue for our late-night snack.

SAFETY

The ship complies with all safety requirements and is certified for travel in Arctic waters. Before departure, all passengers receive instructions on onboard safety procedures and operations including the location of lifejackets in your cabin. Familiarize yourself with the ship's evacuation plan. Special safety procedures apply to trips in the Zodiacs.

SMOKING

For safety reasons and to protect the health of our guests and employees, smoking is permitted only in the designated smoking area on the outside deck. Do not throw your cigarette butts overboard but use the ashtray. Smoking is strictly prohibited in all cabins, on balconies and in all other locations on the ship.

SPECIAL REQUESTS DIETARY

Please inform us about any special dietary needs (e.g. vegetarian or gluten free, diabetic food) at least two weeks before departure. In order to ensure efficient service, please re-confirm your requirements with the crew after boarding the ship.

VACCINATIONS

Ask your local health authorities about recommended vaccinations.

VOLTAGE

All cabins are equipped with 220 volt outlets (Europlug socket).

ZODIAC LANDINGS

One of our features are landings and excursions with our motorized rubber boats of the brand "Zodiac". The boat has both a low draught and a big stability. Zodiac vests are mandatory to wear. Zodiac-landings generally depend on local circumstances. In each case the master makes the final decision if the landing is realizable or not. Particular safety regulations apply on landings. All guests receive a mandatory instruction of the security guidelines.

PRE AND POST PROGRAMS

Seljalandsfoss Waterfall

Day Excursions

Why not stay a little longer? Our pre- or post-cruise programs perfectly complement your voyage on the OCEAN DIAMOND. Whether it's a self-drive car trip, additional hotel nights or a helicopter tour to one of the largest waterfalls in Iceland, you design your ultimate Iceland adventure.

SOUTH COAST ADVENTURE

On this comfortable coach tour, we travel along Iceland's scenic south shore to Vik, a village flanked by high cliffs and black sand beaches. Along the way we stop at Skogafoss and Seljalandsfoss waterfalls, and Skogar Folk museum to see how Icelanders lived in past centuries. All day long there are stunning views of glaciers, coastlines and impressive rock formations.

Duration: Approx. 10 hrs

GOLDEN CIRCLE

This eclectic journey takes visitors to the world famous Geysir area with its active geysers, and Gullfoss waterfall, which plunges 230 feet (70 meters) in three stages into a narrow rock chasm. The journey continues into Thingvellir National Park, where Iceland's ancient parliament convened, and the hot spring of Nesjavellir. On the way back to the capital, we briefly stop at the former bishopric of Skalholt and visit the greenhouses of Fridheimar.

Duration: Approx. 8 hours

SILVER CIRCLE HELICOPTER TOUR

Taking off from Reykjavik, the helicopter glides above Hvalfjordur Fjord and impressive Glymur waterfall, which cascades 640 feet (195 meters) down a volcanic cliff. We then fly into Thingvellir National Park (a UNESCO World Heritage Site) to get a bird's-eye-view of the rift valley that separates the North American and Eurasian tectonic plates. Finally we soar over Mt. Hengill volcano and its active geothermal field of steamy wonders and nearby geothermal power plant.

Duration: Approx. 1.5 hrs

SUPER-JEEP SAFARI THORSMORK

With its varied vegetation and spectacular topography, Thorsmork is a paradise for hikers and nature enthusiasts. Located near the south coast, the valley is surrounded by three glaciers including the famous Eyjafjallajokull. To reach this remote area we need to cross countless rivers of various sizes in our Super-Jeep vehicle – a bonus for off-road fans! Other stops along the way include Gígjokull glacial lagoon, the Seljalandsfoss waterfall and the active volcanic area around Hengill. Good footwear is a prerequisite.

Duration: Approx. 8-10 hrs

SUPER-JEEP SAFARI

HIGHLANDS REGION LANDMANNALAUGAR

This audacious tour starts with a rough and tumble ride in specially equipped 4x4 vehicles into the Thjorsa Valley to explore the colorful highland area of Landmannalaugar. Hiking trails lead into the surrounding mountains and along the banks of Ljotipollur crater lake. There's also time to enjoy a dip in one of the freshwater springs which dot this amazing landscape.

Duration: Approx. 10-12 hrs

INSIDE THE VOLCANO

Have you ever wondered what the inside of a volcano looks like? On this adventure unique to Iceland, visitors descend into the 4,000-year-old, dormant Thrihnukagigur Volcano. After a 50-minute hike along the crater floor, visitors descend via an open elevator 400 feet (192 meters) into a magma chamber once filled with glowing hot lava. Due to rough terrain, participants are advised to wear solid footwear as well as warm, waterproof clothing.

Duration: Approx. 5-6 hrs

Iceland

LAND AND ITS PEOPLE

Iceland fascinates with diversity. There are not many places on earth where you can find black-sand beaches, erupting volcanoes, lumbering glaciers and thunderous waterfalls while at the same time swimming in hot springs, betting on when geysers will erupt, and hiking across barren rocky deserts or across regions with a fascinating diversity of moss, lichen and shrubs. The inhabited coast regions form the smallest part of the island. 11 % of Iceland's surface is covered by glaciers while 60 % of the whole country is dominated by uninhabited highlands or deserts. These desolate regions can only be crossed by 4-wheel-drive vehicles during summer. The volcanic island offers lots of space for its inhabitants. Approx. 330.000 people live on 103.000 km² with two thirds of the population living in the capital area, located in the southwest. The peninsula Reykjanes is home to the international airport Keflavik, about 45 km from the capital. Iceland is also famous for its hospitality, which visitors can experience throughout the country.

CLIMATE

Although the warm Gulf Stream has a positive effect on the climate, you have to be ready for all kinds of weather. In summer temperatures vary around 12°–15° C / 53–59° F, although they may rise up to 20° C / 68° F. Rain showers are always possible, even if they do not last long. Temperatures in winter are around +/- 5° C / 23–41° F; even though it can be very windy, it is not as cold as generally assumed.

CURRENCY

The currency used in Iceland is the Icelandic Krone ("krona" or ISK). The homepage of the Icelandic National Bank (www.cb.is) informs about current exchange rates. All major credit cards like Master Card, Visa, JCB, Diners and American Express are widely accepted.

Important: Most shops, restaurants and especially gas stations also request the PIN number of the credit card, to complete the payment.
ATMs for cash withdrawals are available in larger towns and airports.

LANGUAGE

The official language is Icelandic. The roots of this old language go back to the era of Norwegian Vikings. English and Danish are nowadays very common as well.

TIME DIFFERENCE

Iceland belongs to the time zone of GMT (Greenwich Mean Time).

Greenland

LAND AND ITS PEOPLE

Greenland, an autonomous country within the Kingdom of Denmark, is home to approximately 56,000 people and has impressive surface of 2,166,086 km². While the northern corner of the island is located only 730 km south of the North Pole, the South of Greenland lies on the same latitude as Oslo. With several climate zones Greenland offers both a diversity of scenery and a variety of wildlife. Majestic whales, musk oxen and sea eagles are only some examples of animal species which habitat in this region. During the summer, visitors encounter blankets of wildflowers which form a vibrant contrast to the icebergs floating in the nearby fjords and the massive inland ice cap. Over 1,000 years ago, Erik the Red decided to settle here and gave the unknown country its name. Today, many ruins recall the history of those early Norse settlers. The Disko Bay at the west coast is dominated by impressive icebergs in all kinds of different shapes and colors. This ever-changing display is a result of large pieces of ice "calving" (breaking off) from the outer edge of Sermeq Kuaileq Glacier and floating through the Ilulissat Ice Fjord into the bay. The rich waters of Disko Bay also attract an array of whales, seabirds and other wildlife. Nuuk with 16,000 inhabitants is the biggest city in Greenland.

CLIMATE

Greenland has an Arctic climate, which means that you have to be prepared for sunny days, but also for cold, fresh mornings and evenings. The average temperature reaches a maximum of +10° C / 50° F during the summer months. Nevertheless you might experience days with temperatures of +15–20° C / 59–68° F. Therefore it is important to bring warm as well as light clothes that you can layer.

CURRENCY

Greenland is an autonomous country within the Kingdom of Denmark and uses Danish Kroner (DKK) as currency. We strongly advise you to exchange money before arriving in Greenland. Most hotels and many shops accept all major credit cards, but in several places cash will be more useful as ATMs are only available in larger towns.

LANGUAGE

Kalaallisut (West Greenlandic) has become the sole official language. Danish is still widely used in the administration and in higher education, as well as remaining the first or only language for some people in Nuuk and the larger towns. The majority of the population speaks both Kalaallisut and Danish. Although schools in larger communities generally teach English, inhabitants of small communities usually do not speak English.

TIME DIFFERENCE

In summer the southwest part of Greenland is 2 hours behind GMT (Greenwich Mean Time).

4.a PRICES

The price of your holiday was calculated using exchange rates quoted by Landsbankinn in Iceland on 1st of May 2019 in relation to the following currencies: USD, GBP

All Voyage prices printed in this brochure are in pounds sterling and are per person based on full occupancy of the cabin accommodation unless otherwise stated. Single/Sole occupancy of cabins with more than one berth is at our discretion as single/sole use of multiple berth cabins will be limited. The price of your voyage arrangements was calculated using exchange rates quoted by Landsbankinn in Iceland on 01.09.2018 in USD to British pound (GBP) 0.81.

We reserve the right to amend the price of unsold holidays at any time and correct errors in the prices of confirmed holidays. We also reserve the right to increase the price of confirmed holidays solely to allow for increases which are a direct consequence of changes in:

- (ii) the level of taxes or fees chargeable for services applicable to the holiday imposed by third parties not directly involved in the performance of the holiday, including tourist taxes, landing taxes or embarkation or disembarkation fees at ports and airports; and
- (iii) the exchange rates relevant to the package.

Such variations could include but are not limited to airline cost changes which are part of our contracts with airlines (and their agents), cruise ship operators and any other transport providers.

We will absorb and you will not be charged for any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums and any amendment charges and/or additional services or travel arrangements. You will be charged for the amount over and above that.

However, if this means that you have to pay an increase of more than 8% of the price of your confirmed cruise holiday (excluding any insurance premiums, amendment charges and/or additional services or travel arrangements), you will have the option of accepting a change to another holiday if we are able to offer one (if this is of equivalent or higher quality you will not have to pay more but if it is of lower quality you will be refunded the difference in price), or cancelling and receiving a full refund of all monies paid to us, except for any insurance premiums and any amendment charges and/or additional services or travel arrangements. Should you decide to cancel for this reason, you must exercise your right to do so within 7 days from the issue date printed on your final invoice.

Should the price of your holiday go down due to the changes mentioned above, then any refund due will be paid to you less an administrative fee of £1 per person. However, please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place.

There will be no charge made to the price of your confirmed holiday within 20 days of your departure nor will refunds be paid during this period.

4.b OCEAN DIAMOND CRUISE PRICES DO NOT INCLUDE

- Travel Insurance
- Luggage Handling
- International Flights except flights included in the Air and Ground Package
- Optional Excursions
- Gratuities

Optional excursions booked before you travel or local excursions or other activities that you may choose to book and pay for whilst on holiday are not part of your cruise provided by us nor are we agents for the provider of the service. For any excursion or other activity you book before departure or with which you are assisted in arranging whilst on holiday, your contract will solely be with the supplier of the excursion or activity and not with IPT. We are not responsible for anything that happens during the course of its provision by the supplier nor for the provision of your excursion or activity.

5. CHANGES & TRANSFERS OF YOUR BOOKING MADE BY YOU

If you wish to change your travel arrangements after they have been confirmed we will do our utmost to help but it may not always be possible. Any request for changes to be made must be in writing by the person who made the booking or your travel agent. You will be asked to pay an administration charge of £55 per person and any further cost we incur in making this alteration. NB: most airlines will charge a fee for ticket changes. Costs may increase the closer to the departure date that changes are made.

If you change the number of people in your party, the price of the arrangements will be recalculated for the new party size, this may mean that accommodation is under-occupied and each member of the party may have to pay an increased price.

Where we are unable to assist you and you do not wish to proceed with the original booking and we will treat this as a cancellation by you. A cancellation fee may be payable in accordance with clause 6.

Transfer of Booking:

If you or any member of your party is prevented from travelling, that person(s) may transfer their place to someone else, subject to the following conditions:

- a. that person is introduced by you and satisfies all the conditions applicable to the holiday;
- b. we are notified not less than 7 days before departure;
- c. you pay any outstanding balance payment, an amendment fee of £50 per person transferring, as well as any additional fees, charges or other costs arising from the transfer; and
- d. the transferee agrees to these booking conditions and all other terms of the contract between us.

You and the transferee remain jointly and severally liable for payment of all sums. If you are unable to find a replacement, cancellation charges as set out in clause 6 will apply in order to cover our estimated costs. Otherwise, no refunds will be given for passengers not travelling or for unused services.

6. CANCELLATION BY YOU BEFORE DEPARTURE

You, or any member of your party, may cancel your travel arrangements at any time. Written notification from the person who made the booking or your travel agent must be received at our offices. We recommend 'Recorded Delivery'. Cancellation takes effect the day we receive your letter or email. Since we incur costs in relation to your arrangements from the time we confirm your booking you will have to pay the applicable cancellation charges as shown in the table below (which also applies if we cancel because you have failed to make payments on time - see "Payment" section) together with the cost of any air fare for which we have had to pay at the time of the booking and will be payable immediately on cancellation.

Should one or more member of a party cancel, it may increase the per person holiday price of those still travelling and you will be liable to pay this increase.

Number of days prior to departure:

CANCELLATION FEES IN PERCENTAGE OF TOTAL BOOKING	PRICE
More than 90 days before:	Administrative Fees of GBP 100 pp
90-61 days before	20%
61-42 days before	30%
42-28 days before	60%
28-14 days before	90%
14-7 days before	100%
Less than 14 days before	

Important Note: Certain Arrangements may not be amended after they have been confirmed and any alteration or cancellation could incur a cancellation charge of up to 100% of that part of the arrangements in addition to the charge above.

If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges.

Where possible, we will deduct the cancellation charge(s) from any monies you have already paid to us.

Cancellation by You due to Unavoidable & Extraordinary Circumstances:

You have the right to cancel your confirmed holiday before departure without paying a cancellation charge in the event of "unavoidable and extraordinary circumstances" occurring at your holiday destination or its immediate vicinity and significantly affecting the performance of the holiday or significantly affecting the transport arrangements to the destination. In these circumstances, we shall provide you with a full refund of the monies you have paid but we will not be liable to pay you any additional compensation. Please note that your right to cancel in these circumstances will only apply where the Foreign and Commonwealth Office advises against travel to your destination or its immediate vicinity. For the purposes of this clause, "unavoidable and extraordinary circumstances" means warfare, acts of terrorism, significant risks to human health such as the outbreak of serious disease at the travel destination or natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely to the travel destination.

This clause 6 outlines the rights you have if you wish to cancel your booking. Please note that there is no automatic statutory right of cancellation under the Consumer Contracts (Information, Cancellation and Additional Charges) Regulations 2013 (Directive 2011/83/EU).

7. CHANGES OR CANCELLATION BY US

As we plan your holiday arrangements many months in advance we may occasionally have to make changes or cancel your booking and we reserve the right to do so at any time.

Changes: If we make a minor change to your holiday, we will make reasonable efforts to inform you or your travel agent as soon as reasonably possible if there is time before your departure but we will have no liability to you. Examples of minor changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same or higher standard, changes of carriers. Please note that carriers such as airlines used in the brochure may be subject to change.

Occasionally we may have to make a significant change to your confirmed arrangements. Examples of "significant changes" include the following, when made before departure:

- (a) A change of accommodation area for the whole or a significant part of your time away.
- (b) A change of accommodation to that of a lower standard or classification for the whole or a significant part of your time away.
- (c) A change of outward departure time or overall length of your arrangements by more than 12 hours.
- (d) A change of UK departure airport except between:
 - I. The London airports: Gatwick, Heathrow, Luton, Stansted, London City and Southend
 - II. The South Coast airports: Southampton, Bournemouth and Exeter
 - III. The South Western airports: Cardiff and Bristol
 - IV. The Midlands airports: Birmingham, East Midlands and Doncaster Sheffield
 - V. The Northern airports: Liverpool, Manchester and Leeds Bradford
 - VI. The North Eastern airports: Newcastle and Teesside
 - VII. The Scottish airports: Edinburgh, Glasgow, Prestwick and Aberdeen
- (e) A significant change to your itinerary, missing out one or more destination entirely.

Cancellation: We will not cancel your travel arrangements less than 60 days before your departure date, except for reasons of force majeure, major technical issue or failure by you to pay the final balance. We may cancel your holiday before this date if, e.g., the minimum number of clients required for a particular travel arrangement is not reached.

If we have to make a significant change or cancel, we will tell you as soon as possible and if there is time to do so before departure, we will offer you the choice of:

- i (for significant changes) accepting the changed arrangements; or
- ii having a refund of all monies paid; or
- iii accepting an offer of alternative travel arrangements of a comparable or higher standard from us, if available (at no extra cost); or
- iv if available, accepting an offer of alternative arrangements of a lower standard, with a refund of the price difference between the original arrangements and the alternative arrangements.

You must notify us of your choice within 7 days of our offer. If we do not hear from you within 7 days, we will contact you again to request notification of your choice. If you fail to respond again, we will assume that you have chosen to accept the change or alternative booking arrangements.

Compensation

In addition to a full refund of all monies paid by you, we will pay you compensation as detailed below, in the following circumstances:

- (a) If, where we make a significant change, you do not accept the changed arrangements and cancel your booking;
- (b) If we cancel your booking and no alternative arrangements are available.

The compensation that we offer does not exclude you from claiming more if you are entitled to do so.

Period before departure in which we notify you	Compensation payable per person booking
--	---

62 days or more	NIL
61 - 42 days prior to departure	£10
41 - 28 days prior to departure	£20
27 - 14 days prior to departure	£30
Less than 14 days prior to departure	£40

***IMPORTANT NOTE:** We will not pay you compensation in the following circumstances:

- (a) where we make a minor change;
- (b) where we make a significant change or cancel your arrangements more than [60 days] before departure;
- (c) where we make a significant change and you accept those changed arrangements or you accept an offer of alternative travel arrangements;
- (d) where we have to cancel your arrangements as a result of your failure to make full payment on time;
- (e) where the change or cancellation by us arises out of alterations to the confirmed booking requested by you;
- (f) where we are forced to cancel or change your arrangements due to Force Majeure (see clause 8).

If we become unable to provide a significant proportion of the arrangements that you have booked with us after you have departed, we will, if possible, make alternative arrangements for you at no extra charge and where those alternative arrangements are of a lower standard, provide you with an appropriate price reduction.

Please note: We reserve the right to substitute another vessel for the scheduled one whether or not owned or operated by IPC. Any part of the travel arrangements and the voyage is subject to cancellation, delay, modification, or island/mainland visit cancellation for any reason, including medical disembarkation of crew or passengers or any other circumstances beyond our or our suppliers' control. You therefore acknowledge and agree that the scheduled itinerary for the voyage and the announced departure and arrival times are not guaranteed and we shall not be liable to passengers for any damages or other claims in the event of any delay, changes in itinerary or inability to perform services by reason of any event or events beyond our or our suppliers' control.

8. FORCE MAJEURE

Except where otherwise expressly stated in these Terms and Conditions we will not be liable or pay you compensation if our contractual obligations to you are affected by "Force Majeure". For the purposes of these Terms and Conditions, Force Majeure means any event beyond our or our supplier's control, the consequences of which could not have been avoided even if all reasonable measures had been taken. Examples include warfare and acts of terrorism (and threat thereof), civil strife, significant risks to human health such as the outbreak of serious disease at the travel destination or natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely to the travel destination or remain at the travel destination, the act of any government or other national or local authority including port or river authorities, industrial dispute, labour strikes, lock closure, natural or nuclear disaster, fire, chemical or biological disaster, unavoidable technical problems with transport and all similar events outside our or the supplier(s) concerned's control.

Brexit Implications: please note that certain travel arrangements may be affected as a result of the United Kingdom's decision to leave the European Union. This could include an unavailability of certain flight routes, access to certain ports and airports and changes to the visa requirements of British citizens travelling to, within or through the EU. Please rest assured that this is something we will continue to monitor and will advise our customers as soon as possible if we become aware of any confirmed bookings that will be affected. However, since this is something which is completely unprecedented and outside our control, we would treat any such changes as Force Majeure, and whilst we will endeavour to provide suitable alternative arrangements or refunds where possible, we will not be liable to pay you any compensation.

9. COMPLAINTS

If you have a problem during your holiday concerning any service we have confirmed you must inform the local supplier, e.g. your hotelier, or our local representative or agent immediately to enable them to try to resolve the matter. During high season (1st May – 30th September) we operate a 24/7 emergency number + 354 869 6663. You are also obliged to act in a way so as to minimize any loss. If the issue cannot be resolved locally it is necessary that you notify our head office in writing, quoting the booking reference number, at the earliest opportunity and no later than 28 days after your return, to enable any complaint to be investigated. Please contact icelandprotravel.co.uk or write to Iceland Pro Travel Ltd, FAO Director, 51 Clarks Road, Sheffield S10 2NH. It is strongly recommended that you communicate any complaint to the supplier of the services in question without delay and obtain a written report. If you fail to follow this procedure we will have been deprived of the opportunity to investigate and rectify your complaint at the time and this may affect your rights under this contract.

Any accident resulting in personal injury, loss of, or damage to luggage must be reported to a ship's officer or airline official immediately and written confirmation obtained. We are unable to accept liability for the contents of DVDs, videos, literature, or websites produced by our suppliers/hoteliers. In the unlikely event that any complaint cannot be settled between us you may if you wish be referred to arbitration. This special scheme, by arrangement with ABTA is administered by CEDR Solve. It applies if your claim is for not more than £5,000 per person or £25,000 per booking and does not involve physical injury or illness. The scheme provides for a simple and inexpensive method of arbitration conducted privately based on written documentation and evidence with limited customer liability on costs. Full details are available on request or from ABTA Ltd, 30 Park Street, London SE1 9EQ, www.abta.com.

10. LIABILITY

(i) We will accept responsibility for the arrangements we agree to provide or arrange for you as an "organiser" under the Package Travel and Linked Travel Arrangements Regulations 2018 as set out below, and as such we are responsible for the proper provision of all travel services included in your package, as set out in your confirmation invoice. Subject to these booking conditions, if we or our suppliers negligently perform or arrange those services and we don't remedy or resolve your complaint within a reasonable period of time, and this has affected the enjoyment of your package holiday you may be entitled to an appropriate price reduction and/or reasonable compensation. The level of such compensation will be calculated taking into consideration all relevant factors such as but not limited to, following the complaints procedure as described in these conditions and the extent to which ours or our employees' or suppliers' negligence affected the overall enjoyment of your holiday. Please note that it is your responsibility to show that we or our supplier(s) have been negligent if you wish to make a claim against us.

(2) We will not be responsible for any injury, illness, death, loss (including loss of possessions and loss of enjoyment), damage, expense, cost or other sum or claim of any description whatsoever which results from any of the following:

- the act(s) and/or omission(s) of the person(s) affected or any member(s) of their party
- the act(s) and/or omission(s) of a third party not connected with the provision of your holiday and which were unavoidable and extraordinary; or
- "Force majeure" as defined in clause 8 above.

(3) Please note we cannot accept responsibility for any services which do not form part of our contract. This includes, for example, any additional services or facilities which your hotel or other supplier agrees to provide for you where the services or facilities are not advertised in our brochure or on our website and we have not agreed to arrange them as part of our contract and any excursion you purchase during your holiday. Please also see clause 19 "Excursions, Activities and Brochure/Website Information".

(4) We limit the amount of compensation we may have to pay you if we are found liable under this clause as follows:

(a) Loss of and/or damage to any luggage or personal possessions and money: The maximum amount we will have to pay you in respect of these claims is an amount equivalent to the excess on your insurance policy which applies to this type of loss per person in total because you are required to have adequate insurance in place to cover any losses of this kind.

(b) Claims not falling under (a) above and which don't involve injury, illness or death:

The maximum amount we will have to pay you in respect of these claims is up to three times the price paid by or on behalf of the person(s) affected in total. This maximum amount will only be payable where everything has gone wrong and you or your party has not received any benefit at all from your booking.

(c) Claims in respect of international travel by air and rail, or any stay in a hotel:

(i) The extent of our liability will in all cases be limited as if we were carriers under the appropriate Conventions, which include The Warsaw/Montreal Convention (international travel by air); The Berne/Cotif Convention (with respect to rail travel) and The Paris Convention (with respect to hotel arrangements). You can ask for copies of these Conventions from our offices. In addition, you agree that the operating carrier or transport company's own "Conditions of Carriage" will apply to you on that journey. When arranging transportation for you, we rely on the terms and conditions contained within these international conventions and those "Conditions of Carriage". You acknowledge that all of the terms and conditions contained in those "Conditions of Carriage" form part of your contract with us, as well as with the transport company and that those "Conditions of Carriage" shall be deemed to be included by reference into this contract.

(ii) In any circumstances in which a carrier is liable to you by virtue of the Denied Boarding Regulation 2004, any liability we may have to you under our contract with you, arising out of the same facts, is limited to the remedies provided under the Regulation as if (for this purpose only) we were a carrier.

(iii) When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the transport provider or hotelier for the complaint or claim in question.

(d) Claims in respect of international travel by sea or inland waterway

Travel by sea is governed by the provisions of the Convention Relating to the Carriage of Passengers and their Luggage by Sea 1974 as amended in 1976 (the Athens Convention) and, where applicable, EU Regulation 392/2009 relating to the liability of carriers of passengers by sea in the event of accidents. The extent of our liability will in all cases be limited as if we were the Contracting Carriers under the Athens Convention and/or EU Regulation 392/2009.

The Athens Convention and EU Regulation 392/2009 limit the carriers' liability for death or personal injury or loss or damage to luggage and makes special provision for valuables. It is presumed that luggage has been delivered to you undamaged unless written notice is given to us and/or the carrier;

- in the case of apparent damage, before or at the time of disembarkation or redelivery; or
- in the case of damage which is not apparent or of loss, within 15 days from the date of disembarkation or redelivery or from the time when such redelivery should have taken place.

Damages for cabin luggage payable by the carrier are limited up to the Athens Convention limit of 833 Special Drawing Rights ("SDRs") or 2250 SDRs if EU Regulation 392/2009 applies.

Any liability in respect of death and personal injury and loss of and damage to luggage which we may incur to you shall always be subject to the limits of liability contained in the Athens Convention or EU Regulation 392/2009 for death/personal injury of 46,666 Special Drawing Rights (SDR) or 300,000 SDR under Athens Convention or 400,000 SDRs under EU Regulation 392/2009 except in the case of liability for war or terrorism 250,000 SDRs.

We are not liable for valuables, monies or other securities including jewelry and watches. If they have been deposited with the reception desk on the ship for safe keeping and a receipt issued, then in those limited circumstances the Carriers liability will be set out in the Athens Convention or EU Regulation 392/2009. The use of safes onboard a Vessel is not a deposit with the ship or with the company under the Athens Convention or EU Regulation 392/2009 or otherwise. The limits are 1200 SDRs pursuant to Athens or 3,375 SDRs pursuant to EU Regulation 392/2009.

Limits shall be reduced in proportion to any contributory negligence by the Passenger and by the maximum deductible specified in Article 8 (4) of the Athens Convention or EU Regulation 392/2009.

Where carriage is performed on inland waterways, and the vessel does not go to sea the liability provisions relating to sea going vessels do not apply to the cruise. In those cases the liability of the Carrier to customers shall be determined in accordance with English law (the Merchant Shipping Act) and The Convention on Limitation of Liability for Maritime Claims 1996 (LLMC 96) as amended by SI 1998/1258, a copy of which will be provided on request or can be found at:

<https://www.legislation.gov.uk/uklsi/1998/1258/contents/made>.

The limits for non-sea going passenger vessels is 175,000 SDRs per passenger limit. Liability for property claims will be at least 1,000,000 SDR's under SI 1998/1258 (4)(b) (i). The Strasbourg Convention on the Limitation of Liability of Owners of Inland Navigation Vessels, referred to as the "Strasbourg Convention" with protocols and amendments, applies to vessels sailing on waterways located in the territory of a state party subject to (i) the "Revised Convention relating to the Navigation of the Rhine of 17 October 1868" and (ii) the "Convention of 27 October 1956 concerning the canalization of the Moselle" (Article 15(i) of the Strasbourg Convention: <https://www.ivr-eu.com/expertises/legal/lang-en>). If the Strasbourg Convention applies the limits for customer claims are 60,000 SDRs per customer subject to a minimum of 6,000,000 SDR's (see Article 7). The Carrier's liability for death, injury, illness, damage, delay or other loss to person or property of any kind suffered by customers shall, in the first instance, be governed by the Convention on Limitation of Liability for Maritime Claims 1996 as amended by SI 1998/1258 or where applicable the Strasbourg Convention. The Carrier's liability therefore shall not exceed those limitations provided by the said LLMC 1996 and SI 1998/1258 or where applicable Strasbourg Convention or in any further revisions, protocols and/or amendments thereto as shall become applicable. Where the LLMC 1996 or if applicable Strasbourg Convention permits the Carrier to apply a deductible, the Carrier may apply that deductible.

SDRs are a monetary unit of the International Monetary Fund and current exchange rate can be found in major financial newspapers.

(5) Please note, we cannot accept any liability for any damage, loss, expense or other sum(s) of any nature or description (a) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you or (b) which did not result from any breach of contract or other fault by ourselves or our employees or, where we are responsible for them, our suppliers. Additionally, we cannot accept liability for any business losses or expenses including, without limitation, self-employed loss of earnings.

(6) Where it is impossible for you to return to your departure point as per the agreed return date of your package, due to "unavoidable and extraordinary circumstances", we shall provide you with any necessary accommodation (where possible, of a comparable standard) for a period not exceeding three nights per person. Please note that the 3 night cap does not apply to persons with reduced mobility, pregnant women or unaccompanied minors, nor to persons needing specific medical assistance, provided we have been notified of these particular needs in advance. For the purposes of this clause, "unavoidable and extraordinary circumstances" mean warfare, acts of terrorism, significant risks to human health such as the outbreak of serious disease at the travel destination or natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely back to your departure point.

11. YOUR BEHAVIOUR

You accept responsibility for the proper conduct of yourself and your party, when you book arrangements with us. If your actions or omissions cause damage to any property in the provision of the contracted arrangements, cause delay or diversion to any flight or other means of transportation, or causes or is likely to cause distress, danger and annoyance to any other customers or any third party, we reserve the right to terminate your booking with us immediately. In the event of such termination, our liability to you and/or your party will cease and you and/or your party will be required to leave your accommodation or the arrangements immediately. No refunds of lost accommodation or any other arrangements will be made and we will not pay any expenses or costs incurred as a result of termination. You and/or your party may also be required to pay for any loss and/or damage caused by your actions and we will hold each member of your party jointly and individually liable for any damage or losses caused by you or any member of your party. You also agree to fully indemnify us against any claim arising from your conduct (including professional fees and legal costs) made against us by or on behalf of the owner of such property or the operator of the flight or other means of transportation. The Captain of an aircraft or Master of a ship has authority over the aircraft/ship and passengers at all times when they are boarding or when they are on board.

For Cruise bookings, at any port or place we may refuse to embark or may disembark any passenger who, in the opinion of the ship's authorised personnel, might be excluded from landing at further destinations by local authorities or whose presence may be detrimental to the wellbeing of passengers or crew or who may be suffering from any contagious or infectious disease. In cases of quarantine of the ship, or individual passengers (passengers may be required to remain in their cabin or as instructed by authorised personnel on board if they or any other occupant of the accommodation presents any symptoms or may be considered to put other passengers at risk) will not be liable for expenses thus caused and in such cases as above there will be no entitlement to any refund or compensation and we will have no liability for costs incurred as a result.

12. DISABILITIES AND MEDICAL PROBLEMS

Each passenger warrants that they are fit to travel. IPT reserves the right to require any passenger to produce evidence of the same and cannot accept liability for any situation arising out of a failure to disclose any pre-existing condition or disability. Passengers with physical or mental disabilities or other conditions which may require special assistance, e.g. use of a wheelchair or scooter, or service animal, must advise us in writing before a booking is made. Passengers who use wheelchairs or who may require special assistance must be accompanied by someone who is able to assist them on shore and at sea. We are not a specialist disabled company but we will do our utmost to cater for any special requirements you may have. Please provide us with full details before you make your booking so that we can try to advise you as to the suitability of your chosen arrangements. Acting reasonably, if we are unable to properly accommodate the needs of the person(s) concerned, we will not confirm your booking or if you did not give us full details at the time of booking, we will cancel it and impose applicable cancellation charges when we become aware of these details.

13. PASSPORT, VISA AND IMMIGRATION REQUIREMENTS

Your specific passport and visa requirements and other immigration requirements are your responsibility and you should confirm these with the relevant Embassies and/or Consulates. For further information contact the Passport Office on 0870 5210410 or visit: <https://www.gov.uk/browse/citizenship/passports>.

For European holidays you should obtain a completed and issued form EHC prior to departure. Up to date travel advice can be obtained from the Foreign and Commonwealth Office, visit <https://www.gov.uk/travelaware>.

We do not accept any responsibility if you cannot travel, or incur any other loss because you have not complied with any passport, visa, immigration requirements or health formalities. You agree to reimburse us in relation to any fines or other losses which we incur as a result of your failure to comply with any passport, visa, immigration requirements or health formalities.

14. INSURANCE

It is a condition of the contract with us that you and every member of the booking has travel insurance in force for the entire duration of the holiday, covering at least the cancellation of the booking and providing medical cover for illness or injury and repatriation while overseas. Please provide us with the name of your insurance company, together with their 24-hour emergency number with your booking or as soon as possible.

15. BROCHURE AND HOMEPAGE VALIDITY

The brochure published in October 2019 and the details and prices contained in it are valid up to and including September 2020 but may be superseded by subsequent brochures.

16. DATA PROTECTION

In order to process your booking and ensure your travel arrangements run smoothly and meet your requirements we, IPT need to use the information you provide such as name, address, any special needs/dietary requirements etc. We take full responsibility for ensuring that proper security measures are in place to protect your information. We must pass the information on to the relevant suppliers of your travel arrangements such as airlines, ships, hotels, transport companies etc. The information may also be provided to security or credit checking companies, public authorities such as customs/immigration if required by them, or as required by law. Please refer to our Privacy Policy for further information on how we use your personal data.

17. PROMPT ASSISTANCE

If, whilst you are on holiday, you find yourself in difficulty for any reason, we will offer you such prompt assistance as is appropriate in the circumstances. In particular, we will provide you with appropriate information on health services, local authorities and consular assistance, and assistance with distance communications and finding alternative travel arrangements. Where you require assistance which is not owing to any failure by us, our employees or sub-contractors we will not be liable for the costs of any alternative travel arrangements or other such assistance you require. Any supplier, airline or other transport supplier may however pay for or provide refreshments and/or appropriate accommodation and you should make a claim directly to them. Subject to the other terms of these Booking Conditions, we will not be liable for any costs, fees or charges you incur in the above circumstances, if you fail to obtain our prior authorisation before making your own travel arrangements. Furthermore, we reserve the right to charge you a fee for our assistance in the event that the difficulty is caused intentionally by you or a member of your party, or otherwise through your or your party's negligence.

18. DELAYS, MISSED TRANSPORT ARRANGEMENTS AND OTHER TRAVEL INFORMATION

If you or any member of your party misses your flight or other transport arrangement, it is cancelled or you are subject to a delay of over 3 hours for any reason, you must contact us and the airline or other transport supplier concerned immediately.

For cruise bookings where you have made independent travel arrangements, you accept for joining the ship in good time, regardless of any change to the sailing time or date, or to the itinerary. We are not able to refund monies paid to us, or any third party acting on our or your behalf, or make compensation or other payments where, for whatever reason, you fail to join the ship. Passengers going ashore are responsible for re-boarding the ship prior to departure from port.

Under EU Law, you have rights in some circumstances to refunds and/or compensation from the airline in cases of denied boarding, cancellation or delay to flights. Full details of these rights will be published at EU airports and will also be available from airlines. If the airline does not comply with these rules you should complain to the Civil Aviation Authority at www.caa.co.uk/passengers. Reimbursement in such cases is the responsibility of the airline and will not automatically entitle you to a refund of your holiday price from us. If, for any reason, you do not claim against the airline and make a claim for compensation from us, you must, at the time of payment of any compensation to you, make a complete assignment to us of the rights you have against the airline in relation to the claim that gives rise to that compensation payment. A delay or cancellation to your flight does not automatically entitle you to cancel any other arrangements even where those arrangements have been made in conjunction with your flight.

We cannot accept liability for any delay which is due to any of the reasons set out in clause 8 of these Terms and Conditions (which includes the behaviour of any passenger(s) on any flight or ship who, for example, fails to check in or board on time). The carrier(s), flight timings and types of aircraft shown in this brochure or on our website and detailed on your confirmation invoice are for guidance only and are subject to alteration and confirmation. We shall inform you of the identity of the actual carrier(s) as soon as we become aware of it.
